

THE GREAT BRITISH SEWING BEE

Are looking for the next collection of home sewers

We are looking forward to a time when the current Covid-19 restrictions are lifted and we are able to film the seventh series to find Britain's best amateur sewer.

We are closely following government guidelines but are still able to look for talented amateur sewers to take part when the show returns and it is safe to film.

If you or someone you know is a brilliant amateur sewer then apply now!

APPLICATIONS CLOSE: 23:59pm ON SUNDAY JUNE 7th 2020

Please be reassured that in applying for the series this does not involve asking potential sewers or any of our team to travel, we are able to work safely from home and are continuing to process the applications now for Series 7.
