

Hello,

I am writing to let you know that we are starting to think about the future when the current restrictions are lifted and when we will be able to bring you another series of The Great British Sewing Bee.

We are closely observing government guidelines, but at some stage after the Covid-19 situation has improved and it is safe to do so, we'll be filming the next series.

We are now looking for the sewers to take part and we're keen to hear from both male and female sewers of all ages.

So if you or some you know is a talented amateur sewer then please do encourage them to apply at www.applyforsewingbee.co.uk.

Applications Close: 23.59pm on Sunday June 7th 2020.

It would be very much appreciated if you would help us spread the word to anyone who may be interested in applying by sharing the attached poster & flyer.

Please be reassured that in applying for the series this does not involve asking potential sewers or any of our team to travel, we are able to work safely from home and are continuing to process the applications now for Series 7.

We would be more than happy to answer any questions at : applyforsewingbee@loveproductions.co.uk

With very best wishes

The Great British Sewing Bee team
